FRIENDLY REMINDERS:

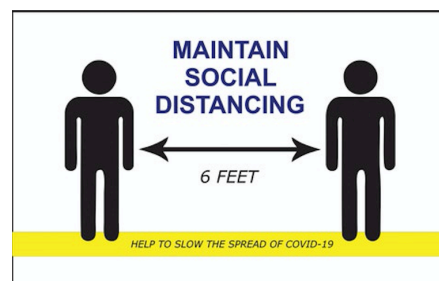

Smoking Policy: Smoking is prohibited anywhere along the facility not designated as a smoking area in accordance with Guam Public Law 33-121. Please advise all personnel, visitors, and customers not to smoke near the building. There are designated smoking shelters located in the lower parking lot.

Parking: Parking rules are strictly enforced here at the Guam Integrated Air Cargo Facility. Please advise all guests not to park in the fire lines, behind other cars, etc. Vehicles found in unauthorized parking areas will be towed at the owner's expense. Please help us keep the fire lanes and loading bays clear for safe loading and in the event of emergencies.

Visitor Screening: For everyone's safety, all visitors entering this facility are logged in and must provide a valid Driver's License prior to entry. Visitors without proper identification will be asked to park outside and walk/shuttle to the office they are visiting. We appreciate your cooperation in this matter.

SOCIAL DISTANCING MEASURES

As the island is slowly normalizing and re-opening businesses to the public, please ensure social distancing measures are continued to be practiced while on the premise of the facility. Practicing social distancing can help stop the spread of COVID-19 and protect ourselves and our loved ones.

MANDATORY FACE MASKS / HAND SANITIZING STATIONS

Just as a friendly reminder, Protecting our Employees and Tenants is our utmost priority. Due to the widespread transmission of COVID-19 on our island, PACAIR PROPERTIES is enforcing a mandatory face covering policy for all Tenants, Customers, and Visitors that enter the facility. Proper face masks (masks that completely cover the nose and mouth) must be worn at all times when traversing around the facility, offices, and common area spaces. Anyone entering the facility without a proper face mask will not be allowed to enter. In addition, PACAIR PROPERTIES has installed touch-less hand sanitizer stations around the facility where the main egress points are and highly encourage all patrons to

Elevator is BACK!

The wait is over — the facility elevator is back up and running. PACAIR PROPERTIES truly appreciates our Tenants' patience and understanding through our efforts to assess and repair the elevator. We were faced with challenges during the repair process, however we have found a reputable company to make the necessary repairs.

As safety is paramount, it is encouraged that the usage of the elevator be limited to 2 people inside to abide by social distancing measures and further prevent the spread of COVID-19.

IF YOU NOTICE ANYTHING SUSPICIOUS, PLEASE CONTACT THE SECURITY
